The exhibit of any given materials does not constitute an endorsement by the Homewood Public Library.

VII General Guidelines

1. The Library requires a complete inventory of each item in an exhibit, including title, medium, dimensions, and description.
2. Transportation and delivery of artwork to and from the Library is the responsibility of the exhibitor. The exhibitor must be present for the installation and dismantling of an exhibit.
3. Unless special arrangements are made with the Library, exhibits are set-up on the third of the month and dismantled the 30th of the month.
4. All artwork must be hung from the ceiling rail of the Art Gallery walls using chains and hooks provided by the Library. All artwork must be ready for hanging at the time of installation.
5. The Library reserves the right to final approval of the design and appearance of the exhibit.
6. Wall labels, gallery list, signs, or posters will be provided by the Library.
7. The Library will provide no special security personnel. Security arrangements for the Gallery space and exhibit cases are the same as for other areas of the Library. The risk of loss, theft, or vandalism will be held by the exhibitor.
8. If the exhibitor wishes to hold a reception at the Library in connection with the exhibit, the exhibitor must reserve a meeting room through the Library's Meeting Room Coordinator, at regular cost.
9. The Library, in cooperation with the exhibitor, may distribute publicity announcements and articles regarding the exhibit to local and regional media, Library events calendars, the Library website, and other information outlets. Basic biographical and professional data will be required from the exhibitor in preparing such public relations information.
10. The Library is not a sales conduit. Any sales of artwork should be handled by the artist outside of the Library exhibit. No sales information may be displayed in the gallery.
